## Issues Not Coming.

Innes' band, which was scheduled to appear in Newberry tomorrow afternoon, will not be here. The management of the opera house on Saturday morning received a telegram from the manager of the band, announcing that on account of the serious illness of Innes with appendicitis, all his dates had been cancelled and his Southern tour abandoned. Innes has been carried to Philadelphia for treatment.

## A Good Show

A fairly large audience greeted the "Who What When" minstrels in the opera house Saturday night. The show was good and clean throughout, and compared favorably with any of its class seen in Newberry for the past several years. The scenery and the costumes were especially appropriate and pleasing, and out of the ordinary run generally seen in minstrel shows.

## City Executive Committee.

The city Democratic Executive Committee, recently appointed at citizens' meeting to conduct the Democratic primary for the nomination of mayor and aldermen and one commissioner of public works for the ensuing terms, held its first meeting Saturday afternoon. Cole L. Bleas was elected chairman of the committee and Fred H. Dominick, secretary. In accordance with rules adopted by citizens, a primary was ordered to be held on Tuesday, the 25th, and managers of election appointed as follows: Jno. A. Senn, S. N. Nolan, and Alex Singleton.

## Death of Mr. H. Mittel.

The following is from the News and Courier of yesterday:

"Mr. H. Mittel, 67 years old, died at Bennettsville last night and his remains will be interred here tomorrow morning in the Jewish Cemetery. He was born in West Prussia, but has lived in this country for about forty-five years. He was formerly of Newberry, but has lived in Bennettsville three years. He leaves a wife, five daughters and three sons."

## Wanted to Get Back.

John Kelly, colored, has already served several sentences on the chain-gang, and it seems that he likes the job and is anxious to get back. On Friday night during the supper hour at the Croftwell Hotel, he entered the room of Mrs. Huiett, took a look into all the bureau drawers and trunks, and into anything else which excited his curiosity. He was not satisfied here, and decided that he could go further and fare better. Acting upon the thought, and bold in his determination, expecting to find it empty but desiring to make sure, he knocked upon the door of Miss Ellie Huiett's room. Miss Huiett, however, was inside, and Kelly attempted the disappearing stunt.

He ran into the street, hotly pursued. The first persons he met were Chief Hunter and Policeman Bradley. But he had his nerve with him. As soon as he saw them he called back to Mrs. Huiett that he was coming, and started back for the hotel. But Messrs. Hunter and Bradley had made his acquaintance on several former occasions, and the ruse failed to work. They followed him to the hotel, and after a good deal of chasing he was finally captured, and he is now awaiting the next term of the circuit court.

## Why so Popular?

The popularity of "Clifton" flour is due to its unequalled quality—absolutely pure, retaining all the nutritive and healthful qualities of the finest selected wheat. Call for "Clifton" if you want the purest and best. Call at either of these groceries: E. R. Hipp, Hayes & McCarty and L. W. Cosby.

The Bachelor Maids will meet with Mrs. M. A. Carlisle this afternoon at four o'clock.

## VARIOUS AND ALL ABOUT.

Col. August Kohn, of the News and Courier, was in the city yesterday.

Mr. Walt Davis, who is with the Spartanburg Herald, visited his parents in the city Sunday.

Prof. Barney L. Jones, of the Laurens Graded Schools, is editing a teachers' column in the County News.

Mrs. Eloise Brown, who has been visiting friends in Newberry, has returned to her home in Birmingham, Ala.

Mrs. D. F. Pifer left yesterday for New Orleans, La., Houston, Texas, and other points, where she will visit relatives and friends.

Mr. J. P. Cook has in his grocery store, on Main street, one of the most unique tricks in the shape of a set of computing scales ever brought to Newberry.

Newberry has a hose wagon. She will soon have completed a modern structure to be used as fire headquarters. And yet, in the absence of horses, both will stand idle.

Protracted services at the First Baptist church, to be conducted by Rev. L. M. Roper, of Spartanburg, will begin on Thursday evening, and will continue for about ten days. A cordial invitation is extended the public to attend.

A town registration certificate is necessary to vote in the city elections. Especial attention is desired to be called to this matter, inasmuch as the idea seems to prevail among a good many that a county registration ticket is sufficient.

It is stated that Hon. Fred H. Dominick, of Newberry, will be a candidate for Code Commissioner to succeed Hon. W. H. Townsend who has been appointed Assistant Attorney General. Mr. Dominick is a young lawyer of ability and would fill the office acceptably.—Carolina News.

The Hon. George Johnstone, of Newberry, was in Charleston yesterday in attendance upon court. Col. Johnstone was a candidate in the last primary election for a seat in the United States Senate and the golden eloquence that flowed from him while stumpng the State charmed all hearers and gave his opponents many distressing things to think about. As lawyer, orator, thinker, gentleman and scholar Col. Johnstone can only be classed with the elect and those who sit in high places.—News and Courier, 7th.

## NO COMMON PLEAS COURT.

Declar'd Off by Newberry Bar—Question Raised in Regard to Judge Buchanan.

At a meeting of the Newberry Bar Association held on Saturday morning, it was decided to call off the regular November term of the Court of Common Pleas, which was to have convened yesterday morning.

It is generally believed that the reason for this action is the fact that Judge O. W. Buchanan, who was to hold the court, does not live in the circuit which he was elected, and that, on this account is not qualified under the constitution, to act. Moreover, the docket was almost cleared by the special term held several weeks ago, and several attorneys are necessarily absent from the city this week.

## The New Schedule.

For some time the business people of Charleston have been trying to get into closer touch with the up-country. They have realized that a quicker and closer railroad schedule was the first requisite of such business relations and in addition to quicker communication, that Charleston and her interests would be brought into closer daily contact by the leading newspaper getting into that section as early as the other newspapers and being available to business men. The Southern Railway responsive to this request and to bind the two sections, has announced a train which will leave Charleston every morning at 3:20 o'clock and make a fast schedule for the up-country.

This schedule, which is now in effect, will bring mail and passengers direct from Charleston and intermediate points. The new train will reach Newberry at 8:37 a. m.

It will be of interest to know that this new schedule brings The News and Courier to Newberry at 8:37 every morning. As everyone knows there is no better newspaper than The News and Courier. It is a first-class newspaper in every respect and publishes the full telegraphic and market reports and gives all the State news.

## A Few Reasons Worth Reading.

Why go to Dr. I. Crimm's for glasses? Because you do not experiment when you buy your glasses from Dr. I. Crimm.

You will receive fair treatment. A careful and scientific examination. No guess work will be tolerated. Dr. Crimm has a sound optical reason behind every lens. Each case treated accordingly. No made-up glasses used. No glasses will be fitted unless you need them. An examination of the eyes means more than the mere trying on of different glasses. Dr. Crimm's glasses will stop all eye strain and headache. Dr. Crimm's glasses make good eyes, and because time has proved that those who use Dr. Crimm's glasses see better and seeing is believing. Dr. Crimm's prices are very reasonable.

Dr. Crimm will remain in Newberry until Saturday, November 22nd only, positively no longer. Examination of the eyes free. Do not miss the opportunity to call on him.

Stocks and Bonds bought and sold on commission.

## 'ROUND THE WORLD IN A NIGHT.

A Delightful Trip Conducted by the Ladies of the Lutheran Church of the Redeemer Friday Evening

In this day of already rapid transportation, and of startling inventions tending towards the complete annihilation of time and space, only a very little incredulity was excited when some time ago the ladies of the Lutheran Church announced that on the evening of Friday, the 7th of November, they would "personally conduct" a trip 'round the world, and that, including stops for refreshments in each of the countries visited, the trip would not consume the whole of one evening. The unbelievers have been fully satisfied, and even the most credulous hesitate not to say their most sanguine expectations were far exceeded. To visit in one evening five countries in different quarters of the globe, and in each to be daintily served by its most beautiful ladies—that is almost the goal of human effort and achievement, but that is what was accomplished by more than two hundred Newberry tourists, under the direction and personal supervision of the Lutheran ladies, on Friday evening.

The first country visited was Holland, at the residence of Mrs. W. L. Seabrook. Here Misses Marguerite Cromer, Sara Rawl, Edna Hipp, Anna Shelly, and Sadie Goggans ministered to the comfort of the traveler. Brown bread sandwiches, cheese, Dutch sausages, and beer there were in plenty, and above all a most hearty welcome. In this connection, for the benefit of a few who might be horrified at the mention of beer, it is distinctly stated that the beer was root beer, that upon a thorough analysis of three bottles no trace of alcohol was found.

The next country visited was Japan, at the residence of Mrs. W. A. Kinard. Here, of course, tea and sweet wafers were found. A good deal of surprise was manifest upon the appearance, away over in the Orient, of Misses Bessie Schumpert, Odalite Johnson, Julia Paisley, Carolyn Cromer, Maggie Cline, and Carrie Mayes. But there they were, in possession of the country, and ruling with queenly grace. But to their American friends of "aud lang syne" their majesties were most gracious. Right royally did they entertain them, and bid them Good speed on their journey.

Next, on to France, at the residence of Mrs. O. L. Schumpert. Here even the memory of Napoleons and bloody revolutions, had passed away, and gaiety reigned supreme in the land of sunny skies. Delightful salads and other refreshments were served by Misses Thyra Schumpert, Hattie Shelly, Ethel Bowers, Helen Smith, Mary Riser and Jessie Summer.

It was only the matter of a few minutes from France to Spain. Here, while soft music filled the air, the dark veil of the future was uplifted for the curious by Mrs. St. Amand and Miss Sallie Lane. Among those who otherwise entertained the travelers were Misses Lena Riser, Cora Dominick, Mattie Epting, and Myrtle Dennis. The Messrs. and Miss Salter furnished excellent music on their string instruments.

But, after all, though one may travel far and wide, and may experience every pleasure the world is able to give, in his heart when away there will always be a great longing for the land of his birth; and a great joy was felt by the traveler Friday evening as America, at the residence of Mrs. J. T. Mayes, was reached.

The home coming of the tourists was made the occasion of a great reception in their honor, and appropriate refreshments, including ice cream and cake, were bountifully served. The special committee for the occasion was composed of Misses Vera Honsell, Lizzie Dominick, Hattie Hipp, Gena Bradburn, Rosalyn Summer, Marie Reagan, and Mazie Dominick.

Altogether the entertainment was a most novel and pleasant one, and most successful, too, from a financial standpoint, \$106 being realized.

## Akin—Redeemer.

The following, which is taken from the Nashville Tenn., Banner, of October 24th, will be read with interest by Newberry people. Miss Rodelsperger is a daughter of the late Peter Rodelsperger, who for many years lived in Newberry, his family having moved from here to Tennessee:

"The marriage of Miss Frances Rodelsperger and Mr. Walter Akin was quickly celebrated last evening at 7 o'clock at the residence of the bride's mother, Mrs. Louisa Rodelsperger, on Belmont avenue, Dr. William M. Anderson officiating. The marriage was witnessed by relatives and a few near friends.

"The bride was very handsome in a tailor suit of blue Venetian cloth with a picture hat of blue velvet. She carried a bouquet of bride roses.

"The bride is a member of a South Carolina family, who has gained many warm friends during her residence in Nashville. Mr. Akin is an artist of ability and now holds a responsible position with the Phoenix Cotton Mills.

"Immediately after the ceremony Mr. and Mrs. Akin left for Chicago and other points, and on their return November 5 will reside at 127 North Belmont avenue. Among the guests at the wedding were Mr. and Mrs. Embury of Columbia."

## CLOTHING

IT is an important subject. We want to talk about it. We spend more than half of our existence in Clothes and the subject is certainly worth talking about.

Sixteen years ago we began the Clothing business on a small scale in Newberry. We saw the possibility of building up the business on correct methods, and we started out with the determination to do our best to make it pay us and please the people. We devoted both time and money to the study of the subject and we confidently assert that today we stand on the vantage ground of success.

## WE HAVE THE PROOF.

WE are still moving forward to higher heights. There is no progress in stand-still methods. Here is the proof. Our September and October sales for the season of 1902 have eclipsed all our past records in the Clothing business and we have made some mighty good records in the past sixteen years. The people have come to us from far and near for

## Good Clothing and Satisfaction.

Dollar for dollar in value for the money of the people and satisfaction with every sale are principles which have always been maintained and they have enabled us to pursue

## THE EVEN TENOR OF OUR WAY

And to do the Clothing business according to our own ideas, letting others do as they please, and if we chose to lay our big acts of low prices now and then at the root of the sapling of competition, why everybody in Newberry knows how the chips always fell where they could find a place to fall.

## WE DON'T WANT YOUR DOLLARS

EVEN now unless we can give you the best Clothing for your money that you can find anywhere. Neither do we want the earth, but we are here to build up our Clothing business bigger and better and give the people the greater satisfaction, so we have determined to round out this record-breaking season of great selling in Clothing in a style never to be forgotten.

## Women and Jewels.

Jewels, candy, flowers, m— that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even the greatest of all jewels, her own, is often refused in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem then let her fortify herself against the insidious consequences of cheap, colds and bronchial affections by the regular use of Dr. B. B. B. German S. S. S. I will promptly arrest consumption in its early stages and head the offed lung as a chronic tumor and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at W. E. Felham & Son, G. L. Green's Special Almanac.
